**GRADING PROCEDURES**

Semester grades are cumulative, and progress reports are distributed every six weeks. Grades are computed in the following manner:

- A = Outstanding academic achievement
- B = Above-average academic achievement
- C = Average academic achievement
- D = Below-average academic achievement (minimum passing grade for which high school credit is granted)
- F = Unsatisfactory academic achievement. No credit is given for courses in which a student has earned this grade.
- M = An incomplete semester grade. This grade is given only to students who have had extensive absences due to hospitalization, illness or other extreme circumstances. Incomplete semester grades will convert to an "F" if they are not made up within the subsequent six-week period.
- WP = Withdrawal from a course without a grade penalty. This mark will not affect a student's grade point average or class rank.
- WF = Withdrawal from a course with a grade penalty. This grade is considered an "F" when calculating a student's grade point average or class rank.

*The flowing grading scale is a guideline used by teachers:  
A = 90-100 B = 80-89 C = 70-79 D = 60-69 F = 0-59*

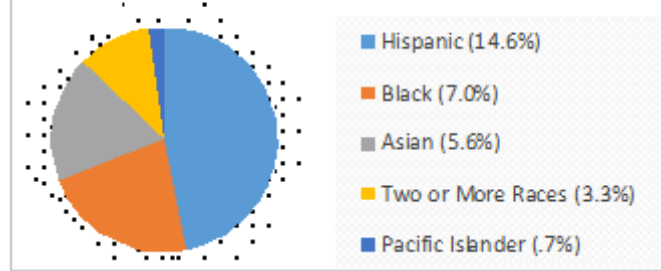

**DUAL CREDIT**

District 202 has entered into a cooperative agreement with Joliet Junior College (JJC) to offer dual credit coursework at each of its high schools. Students who complete courses offered through this agreement receive both high school credit toward graduation and college credit. There will be no dual credit classes offered during the 2015-2016 school year.

**HONOR ROLL**

Honor Roll is determined at the end of each semester. In order to achieve the recognition, a student must earn a semester GPA of at least 4.00, with no grades of D or M. Student's names are placed on the High Honor Roll if their semester grade point average is 5.00 or better.
