

## **College Information Sessions at Plainfield North High School Spring 2018**

Each year, PNHS invites college and universities to provide information sessions to prospective students. All PNHS students (9<sup>th</sup> – 12<sup>th</sup> grade) are welcome to attend as a great way to start with the college research process. Students can view the full list of colleges in Naviance Family Connection and are urged to pre-register in order to get a pass from the Student Services office and be excused from class. All visits take place in the College and Career Center (#300). Students are responsible for missed classwork.

<b><u>COLLEGE</u></b>	<b><u>DATE</u></b>	<b><u>TIME</u></b>
