

Parents and Guardians,

If you are receiving this message, your son/daughter has purchased a ticket and is scheduled to attend our prom at the Museum of Science and Industry this Friday May 11<sup>th</sup>. I wanted to make sure that you were clear on the academic expectations for **ALL** North students who will be attending prom. Students will be required to attend the first 3 periods of the day prior to being dismissed. All students who have a 1<sup>st</sup> period class are expected to be present and on time to start the day. If students are scheduled to start their day at the beginning of 2<sup>nd</sup> period, they should report to the gym for our special guest speaker. All students who will be attending prom are expected to be in attendance for this guest speaker. Once the guest speaker is finished, all those attending prom will receive their actual ticket to enter prom with. Students who are not in attendance and fail to receive their ticket will not be admitted into our prom later that evening. **Only** students who are attending prom and have received their ticket will be dismissed from school after 3<sup>rd</sup> period. They will be excused for periods 4-7<sup>th</sup>. If you do not want your student to be dismissed after 3<sup>rd</sup> period, please contact their dean.
