TRANSCRIPT INFORMATION

Transcripts show courses completed, courses in progress, weighted and un-weighted Grade Point Averages (GPA), and SAT/ACT scores (if approved by parent/guardian on Transcript Release Form). Class rank is computed, but not included on transcripts.

Official transcripts are released directly to accredited educational institutions, scholarship agencies, and the NCAA Eligibility Center only through Naviance. Parents can request unofficial transcripts through their student's Counselor.

Please see the inside of this profile for comprehensive information regarding computation of Grade Point Average and individual student rank.

GRADING PROCEDURES

Semester grades are cumulative. Grades are computed in the following manner:

A = Outstanding academic achievement
 B = Above-average academic achievement
 C = Average academic achievement
 D = Below-average academic achievement (minimum passing grade for which high school credit is granted)
 F = Unsatisfactory academic achievement. No credit is given for courses in which a student has earned this grade.
 W = Withdrawal from a course without a grade penalty. This mark will not affect a student's grade point average or class rank.
 WF = Withdrawal from a course with a grade penalty. This grade is considered an "F" when calculating a student's grade point average or class rank.

The following grading scale is a guideline used by teachers:

A = 90-100 B = 80-89 C = 70-79 D = 60-69 F = 0-59

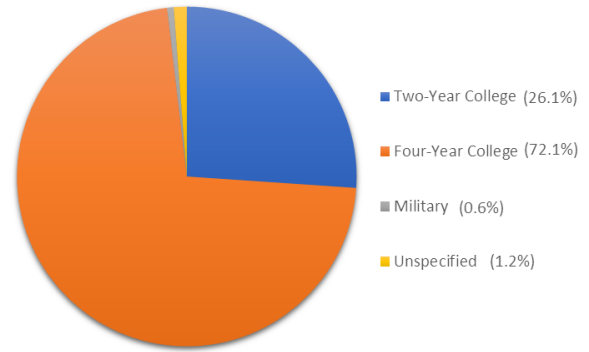

HONOR ROLL

Honor Roll is determined at the end of each semester. In order to achieve this recognition, a student must earn a semester GPA of at least 4.00, with no grades of D, F, or WF. Students' names are placed on the High Honor Roll if their semester grade point average is 5.000 or better. Students must be enrolled in a minimum of five courses in order to qualify for honor roll.

DUAL CREDIT

District 202 has entered into a cooperative agreement with Joliet Junior College (JJC) and University of St. Francis (USF) to offer dual credit coursework at each of its high schools. Students who complete courses offered through this agreement receive both high school credit toward graduation and college credit.
