FROM THE PRINCIPAL

Tigers,

We are moving right along with the second semester. I’m sure I speak for most of us that we are looking forward to warmer temperatures in a few months. It has not been a bad winter, but I have a feeling mother nature is not done with the snow and ice just yet.

I wanted to take a second to thank all the parents that took a few minutes to complete the 5 Essentials Survey. The window is open until February 14th if you would like to complete it. I appreciate your time and feedback!

5 Essentials Survey Link
http://survey.5-essentials.org/illinois/survey/parent/

During the week of February 10th, staff will be contacting parents (email or phone) if students have a D or F at the 6-week mark in the second semester. The purpose for this is to provide communication to parents so any potential concerns can be addressed before they become a bigger issue. This communication will happen again at the 12-week mark. Between the parent contacts and monitoring the Home Access Center (HAC) as a parent, our goal is to put students that may be struggling in a position to have success before it’s too late.

I want to remind you that we do not have the traditional parent-teacher conferences this spring across District 202. Even though we do not have a formal process, I encourage all parents to reach out to specific teachers to address any questions or concerns throughout the semester. You can access our staff directory on the Plainfield North website under the “Quick Links” section.

More than ever, we are running around trying to manage our work schedules, family responsibilities, and other daily tasks. I came across this quote I wanted to share.

“Sometimes the most productive thing we can do is relax.” -Mark Black

Parent or student, we can all benefit from taking time to relax along the hectic journey called life.

Go Tigers!

Ross Draper, Principal
rdraper@psd202.org
(815) 609-8506
**Curriculum and Instruction**

Second semester will be bringing about a wide range of testing for our students. As we approach each of the testing dates, students will be receiving more information relating to the specifics of each test. The state-required tests are the SAT for juniors on April 14th, and PSAT for freshman and sophomores on April 15th, and the Illinois Science Assessment will be for all junior’s during the testing window of March 2nd - March 27th.

Stan Bertoni, Associate Principal  
sbertoni@psd202.org

Sharon Piemonte, Administrative Assistant  
spiemont@psd202.org

**Dean’s Office**

Parents and Guardians,

As we start the second semester, I would like to take a moment to briefly review our expectations for phone usage during school hours. Texting and listening to music is **ONLY** allowed in the hallways during passing periods and in the cafeteria during lunches. Students should not be making calls, taking pictures, or recording videos at **any time** during school hours. Phones should not be out during class time or while changing in the locker rooms.

Darnell Weathersby  
Assistant Principal—Building & Operations, Discipline  
dweather@psd202.org
Next Steps

MARK YOUR CALENDARS – SAVE THESE DATES

These are the dates for our Next Steps Presentations for 2019 – 2020. The presentations will be at the Plainfield District Office from 6:30 – 8:00 p.m. Please join us. All are welcome!

February 18th – Brian & Benji Rubin, Rubin Law
March 24th – Sherri Schneider, Family Benefit Solutions
April 21st – Mary Ann Ehlert, Protected Tomorrows

NEXT STEPS is a Parent Training and Resource Network focused on the topic of planning for a student’s successful transition from high school to adult life. NEXT STEP is a meaningful resource for families. Questions? Call Dee Graves at 815-577-4108 or Kathy Thomason at 815-280-2814.
**ENGLISH & SOCIAL STUDIES**

**English:**
Mr. Brown’s sophomore honors class is in the midst of reading the great American classic *The Grapes of Wrath*. Students are looking into author’s purpose, argument, and synthesis as a focus through writing. Students are also discussing whether the themes and motifs brought about in the book are still current today.

**Social Studies:**
Ms. Gallagher’s US History classes re-investigated the “Rosenberg Case” to determine which of the spouses was actually guilty of treason during the 1950s. It was decided that Julius was 100% guilty, and Ethel should not have been found guilty and her name should be pardoned posthumously.

Ms. Mays’ World Geography and Cultures classes will spend several days attempting to build an earthquake-proof structure. The Geo Lab will require the students to build a two and three story structure which will be subjected to an “earthquake” by means of the shaker table. The students will observe which structure survives the best and draw conclusions from the results. This activity will introduce the next unit, East Asia.

Mr. Foreman’s AP US History classes created Adobe Spark web pages that provide both visual and written understandings from our study of the growth of cities and immigration during the late 19th and early 20th centuries. The students have the ability to input images, videos, and many other interactive graphics to help justify their understandings of the content studied.

**SCIENCE & MATH**

Let’s start second semester strong! Make sure your students are taking time each night to study and prepare for the next day of classes. Please encourage your students to seek extra help if they have questions or are struggling in any subject. Not only are teachers available before and after school, the media center offers tutoring in all subjects, and the math department houses MTV (Math Tutoring Venue) during every lunch hour.

**Science:**
Forensics students will make observations on a fake crime scene and they will have to sketch what they see.

**Math:**
Our dual credit math for general education started the unit by researching loans vs. grants for college tuition.

PreCalculus students will be working hard to diagram surveying and bearing problems.

AP Statistics students will have fun doing an activity that involves flipping pigs.

Geometry classes are using protractors and rulers to investigate law of sines ambiguous case.

In Geometry, students are completing Unit 3 Part 2 which covers right triangle concepts (Pythagorean theorem, special right triangle rules, and right triangle trigonometry). In Honors Geometry, concepts will extend to include Law of Sines and Law of Cosines. The students pictured below are working on investigating the ambiguous case for the Law of Sines. This unit will conclude in January. In the month of February, we will cover concepts related to circles.
**Fine Arts/WORLD LANGUAGES**

**Fine Arts:**

Congratulations to Stephanie Dudley (senior), in winning "Best in Show" for her ceramic sculpture, Untitled ("man fishing") and Valerie Loeblich (junior), earning an Honorable Mention for a large dramatic charcoal portrait drawing of her mother! This event was on January 9, 2020 at the Third Annual High School Art Invitational at Lewis University in Romeoville.

On Saturday, March 7th, PNHS will host The Annual SPC Conference Art Competition.

Each of the 12 high schools in our athletic conference will bring their best artists to compete for awards in 15 different fine arts categories. While judges are analyzing the artwork, students will attend workshops learning new hands-on techniques and methods from professional artists specializing in different media. **Unfortunately, this event is closed to the public.** More information and results will be reported in our next newsletter.

The pep band participated in a pep band exchange with North Central College this year. There was a group of North Central students that joined us on Friday, January 24th for the boys’ game against Plainfield South High School, and we went to North Central College for their double header on Saturday, January 25th.

The Plainfield North Jazz band will be participating in a Jazz Café at Ira Jones Middle School on Thursday, February 27th at 6:00 p.m. They will be sharing the concert with the Ira Jones and Heritage Grove Jazz bands.

Plainfield North choirs will be celebrating black music, composers, and artist at their theme concert: "Lift Every Voice". The concert will feature works by notable black musicians like Whitney Houston, Duke Ellington, Rosephanye Powell, and Rollo Dilworth. The concert is free and open to the public.

**World Languages:**

Students in ASL class worked together in groups on a large hand-shaped puzzle, reviewing their vocabulary they learned in class.

German 1 is going to be learning about shopping and asking about prices, in addition to learning clothing items and colors. Students will be given a virtual €100 to use at various German clothing stores. Students will also be setting up a shopping experience within the classroom, where students will be given paper money and have to negotiate the sales. The unit will culminate with skits, where students will create authentic conversations between waiters and guests.

German 2 students will be talking about cities and learn how to give directions. We will also be covering activities in nature and how to express feelings. Students will be writing stories about the cities that they live in and then will get to create a city of their own.

German 3 is moving in to a new unit about communication. In this unit they will get to listen to a radio show and analyze music. They will then learn all about German communication abbreviations, like LOL, and will then receive the opportunity to create their own. Lastly, students will learn about a service project and then discuss opportunities that they have in order to get more involved in the community.

German AP will be working through a unit on immigration and integration. Students will dive into the history of German immigrants in America as they research the struggles in which these immigrants faced and compare it with situations in society today. We will also talk about immigration laws in Germany and Gastarbeiter.

Finally, on February 28th German 3 and AP students will have the opportunity to compete at UIC German Day. This is an opportunity for students to compete and interact with other German students from across the Chicagoland area. We have students competing in the essay contest and spelling bee. Students will have the opportunity to take a tour of UIC as well as sit in on an authentic German class at the university level.
**MEDIA CENTER**

**Tutoring Venue:**
The tutoring venue in the media center is open. If students need help in any of their classes, they can go to the [Media Center Study Hall link](#) on the main PNHS webpage to sign up for tutoring during all study hall periods.

**PHYSICAL EDUCATION/DRIVERS EDUCATION/HEALTH CLASSES**

**Physical Education:**
The Dance II classes are starting the semester off strong by learning choreography for the spring dance showcase. Each class is learning jazz choreography to perform on April 24th at 6:00 p.m. The dance program at Plainfield North puts on the spring dance showcase every year and is a great way to display the students’ dance talent here at Plainfield North. Students who are not taking the dance class will have the opportunity to participate in the Spring Dance Showcase 2020. There will be an informational meeting February 7th after school in the dance room for these students.

Freshmen wellness classes will be completing their dance unit by having a guest leader come in to lead line dancing February 18th-21st. Tinikling will be the other portion of the dance unit for wellness classes. Here is a definition of Tinikling: Tinikling is a traditional Philippine folk dance which originated during the Spanish colonial era. The dance involves two people beating, tapping, and sliding bamboo poles on the ground and against each other in coordination with one or more dancers who step over and in between the poles in a dance. Here is a short video to further explain Tinikling: [https://www.youtube.com/watch?v=UrSgRKhjiJ8](https://www.youtube.com/watch?v=UrSgRKhjiJ8).

**Driver Education Classes:**
Please continue to allow students with a valid instructional driving permit to gain driving hours outside of school with a parent/guardian or an adult that is 21 or older with a valid license for more than one year (parent/guardian need to approve of the person also). It helps develop their skills and makes them more confident in the driver seat. It is our goal here at Plainfield North to partner with parents/guardians to develop safe and competent drivers on the road.

Here is a link to the 50-hour log sheet that these hours are to be recorded on and turned in when going to the DMV to obtain a drivers license. It is best to record these lessons as you go and remember 10 hours need to be night time driving: [http://www.cyberdriveillinois.com/publications/pdf_publications/dsd_x152.pdf](http://www.cyberdriveillinois.com/publications/pdf_publications/dsd_x152.pdf).

First semester students are being contacted in birthdate order to finish their driving hours with a certified instructor. We have certified instructors that drive before school and after school. Currently, the behind the wheel instructors are looking to fill spots for the before-school driving, which starts at 5:30 a.m. Please contact Lynette Bayer at [lbayer@psd202.org](mailto:lbayer@psd202.org) if you have a student that wants to complete their BTW lessons before school.
Clubs

National Honor Society
To everyone that donated blankets, hats, socks, and various other items to Phil’s Friends, your kindness and thoughtful-ness was very much appreciated. Together we can bring hope to those affected by cancer. Thank you so much for your support.

College & Career

The College and Career Center is located in Room 300 and is available as a resource for all students. Students can request a pass during study hall to visit the College and Career Center.

UPCOMING EVENTS:

District 202 College Information Night for Juniors
Date/Time: Wednesday, February 12th from 7:00—8:00 p.m.
Location: PNHS Auditorium
Hear from colleges that many of our PNHS graduates attend and about the college experience they offer, admissions re-quirements, the admissions process, and how their admissions decisions are made. Registration is not required. We en-courage parents to attend.

District 202 Historically Black Colleges and Universities Awareness Night
Date/Time: Tuesday, February 25th from 6:00—8:00 p.m.
Location: PNHS Cafeteria
Meet representatives from Historically Black Colleges and Universities and obtain valuable college resources. Registration is not required. We encourage parents to attend.

Meet College Admissions Reps
Date/Time: Current schedule for February and March is posted in Naviance (check regularly for newly scheduled visits)
Location: PNHS College and Career Center
PNHS invites college admissions reps to meet with prospective students to share information with them. Students can view the full list of college visits in Naviance and must pre-register to be excused from class. Students should research the college ahead of time and prepare a few questions to ask during the visit. Many times, the college representative that visits is the main point of contact for the admissions process.

QUESTIONS
Contact Mrs. Hurst, College and Career Counselor, at mhurst@psd202.org or (815) 609-8506.
**Athletic News**

The spring sports season tryouts begin the first week of March—be sure to register for tryouts at:  
[https://il.8to18.com/plainfieldnorth](https://il.8to18.com/plainfieldnorth)

**Remember all athletes must have a current physical on file to tryout.**

**Athletes of the Week:**

Week 17:  
Natalie Bearbower—Girls Basketball &  
Kyle Bragg—Boys Basketball

2nd Semester:

Week 1:  
Tori Evoy—Cheerleading &  
Alex Dvorak—Boys Swimming

Week 2:  
Katelyn Sparlin—Girls Basketball &  
Jacob Macatangay—Wrestling

**Athletes of the Month**

Natalie Bearbower—Girls Basketball &  
Jacob Macatangay—Wrestling

**National Signing Day**

The next signing day is February 5th at 2:15 p.m. in the auditorium.

Any senior signing with a college to play at a collegiate level is invited to sign. Stop in the Athletic Office for more information.

**Spring Sports Tryout Dates**

**Baseball:**  
March 2nd-5th  
Freshman/Sophomore 5:00-6:30a.m.-FDH  
Varsity 4:15-8:00p.m.-Gym

**Badminton:**  
March 2nd-4th  
2:30-4:15p.m.-FDH

**Boys Lacrosse:**  
March 2nd-4th  
8:00-10:00p.m.-Gym

**Girls Soccer:**  
March 2nd-4th  
8:00-10:00p.m.-FDH

**Softball:**  
March 2nd-5th  
4:15-8:00p.m.-FDH

**Boys Tennis:**  
March 9th  
2:30p.m. at Five Star

**Boys Volleyball:**  
March 9th-12th  
6:00-9:00p.m.-Gym

Third Annual Lewis University Art Show

Plainfield North High School senior Stephanie Dudley won Best in Show for her ceramic and acrylic paint piece “Untitled” (man fishing) on January 9, 2020 at the third annual High School Art Invitational at Lewis University in Romeoville.

The show featured 54 pieces of art including 39 from District 202 students, from all four District 202 high schools, Romevill e, Lockport high schools and Joliet Catholic Academy.

Art teachers submitted up to ten pieces of student art in several mediums including clay, paint, marker, photography, ink, charcoal and mixed media.

These students won four of eight honorable mentions:

- Valerie Loebl, junior, Plainfield North High School, “Untitled,” (black and white portrait of Mom), charcoal.
- Maiya Munro, senior, Plainfield East High School, “Merging Lights,” photography.

The student artwork was displayed through January 16, 2020 in the Brent and Jean Wadsworth Family Gallery in the Oremus Fine Arts Center, 1 University Parkway, Romeoville.
