**ADVANTAGE AFTER SCHOOL PROGRAM**  
**Initial Credit Opportunity – Fall 2020**

Dear Parent/Guardian,

The **Advantage After School Program- Initial Credit Opportunity** offers students the opportunity to earn credit through online learning. The program uses Edgenuity, which is a computer-based program. Edgenuity courses meet the rigor of common core and state standards. This program meets the needs of students who are unable to enroll in summer school, as well as those who would like to have more time in the school day for electives and advanced classes. Classes will be held on **Wednesday and Thursday from 3:00-5:00pm starting on Wednesday, October 7, 2020 and finishing by January 14, 2021**. You are excepted to report once a week for one hour and on test days. If you are **behind in your course**, then you must report both days for both hours until you are current.

A certified staff member will supervise and support students. Students should expect to spend time outside of class on coursework and report to class once a week for one hour and on test days. This semester we are offering the following initial credit courses:

**Consumer Economics (OTB)** -This course is a Career and Technical Education class that meets the Consumer Education requirement for graduation. Freshman and sophomores are **only** allowed to take this course.

**Economics and Personal Finance (Economics)**- This course is a Social Science class that meets the Consumer Education requirement for graduation. Only offered to upperclassmen.

**Civics (Government)**- This course is a Social Science class and meet the Government graduation requirement. Only offered to upperclassman.

Upon successful completion of the Edgenuity online class, your child will receive a PASS grade and earn 0.5 credit. The PASS grade is not calculated into the cumulative GPA.

\*Edgenuity's online classes are NOT approved by the NCAA Clearinghouse. If your student is considering participating in college level athletics, he/she should not take online Edgenuity classes.

Placement in the Advantage After School Program is based on space available and is on a first come/first served basis. Complete the attached forms, include \$190 payment, and return to Student Services. Please contact me if you need additional information ([dhames@psd202.org](mailto:dhames@psd202.org)) or your student's counselor for further questions.

Sincerely,

Mrs. Hames – PNHS Advantage Teacher
