ADVANTAGE AFTER SCHOOL PROGRAM
Credit Recovery – PARENT/STUDENT AGREEMENT
– FALL 2020

Name: _____ ID: _____

Your signature indicates you have read and understand the information about the **Advantage After School Program-Credit Recovery**. You may contact the program teacher, Diana Hames (dhames@psd202.org), if you have questions or need additional information.

- The purpose of the **Advantage After School Program** is for students to **recover** high school credits. Students can make up credits to stay on track for graduation. Each core class is offered by semester.
- The Advantage Program uses **Edgenuity** which is a computer-based program. All courses meet the rigor of common core, state standards as well as our graduation requirements. Each student is given an individualized calendar, target goals, and assignments.
- You will receive login information to monitor your student's progress and attendance, as well as a weekly email every Monday morning from Edgenuity (look in your junk folder).
- Upon successful completion of the Edgenuity online class, your child will receive a PASS grade and earn 0.5 credit. The previously failed class will remain on the high school transcript but will no longer be calculated in the cumulative GPA. The new PASS grade WILL NOT be calculated into the cumulative GPA but will satisfy the course requirement for graduation.
- Edgenuity's online classes are NOT approved by the NCAA Clearinghouse. If your student is considering participating in college level athletics, he/she should retake the traditional class, rather than the online Edgenuity class.
- Consistent attendance is required (**every Wednesday and Thursday from 3:00pm-5:00pm starting Wednesday, October 7, 2020 until January 14, 2021**) and active participation is necessary for your student to successfully complete the enrolled class. In order to complete the Edgenuity class and earn credit by the end of the program, it will be necessary for your student to spend additional time working on coursework independently at home. Students who are **not making adequate progress or have missed more than 4 days may be dropped** from the course at the discretion of the program instructor and will receive a FAIL grade on their high school transcript.

I have read and understand the information about the Advantage Program and the online Edgenuity class. I agree with my student's placement in this class.
