Attendance & Expectations

Dual Credit Summer School is an intensive and compressed academic experience. Semester-long college courses are taught in six weeks rather than the traditional eighteen-week semester. Because of this time compression, attendance is extremely important. The following regulations will be enforced:

- Students must be online by 8:00 a.m. daily with their computer camera on and their face must be visible at all times. Anything less than meeting this standard will be considered time absent from class resulting in an absence being recorded if 30 minutes or more per class.
- A student will be dropped (no credit/no refund) when he/she accumulates any more than four days of absences from a dual credit summer school class.
- An absence is defined as missing 30 minutes or more of a class.
- Any combination of the above, that totals more than four days, will result in the student being dropped from summer school without a refund, without credit for the course, and a possible Withdrawal (W) on your college transcript. A Withdrawal (W) can negatively impact your ability for financial aid in college.
- Vacation days and/or days of illness count as absences from summer school. A doctor's note and/or parent call-in will not excuse a student absence. **There are no excused absences in summer school.**
- District 202 Student Handbook and the teacher's syllabus will serve as a guide for dual credit summer school. Students who violate school rules will be dropped from summer school. Students are expected to comply with all rules regarding appropriate dress while attending classes online.
- **Failure to comply with all rules will result in dismissal from summer school, loss of credit, no refund, and a possible Withdrawal (W) on the college transcript.**

Grades

Dual Credit Summer School grades will be available on Home Access Center (HAC) for all students. Report cards will not be mailed home. General Psychology 101 will be Honors weighted. Orientation to Business and Personal Finance will NOT be Honors weighted. **FINAL EXAMS WILL BE GIVEN AS PART OF THE CLASS IN ONLINE DUAL CREDIT SUMMER SCHOOL.**

Special Education or 504 Support

Students with Individual Education Plans (IEP's) or 504 Plans can receive support services following ADA guidelines, not IDEA guidelines, during the summer sessions that they would receive during the regular school year in a dual credit course.
